Chas F Lummis:

I have your folio
of "Spanish Songs"
"Old Calif" accompani-
ments by Mr Farwell.
I want something
more in this type
of music and I
am asking you
to send me a

catalog or recommend
some numbers.

I am also inter-
ested in Mexican
music of the type
used in Old Mexico
to-day and those
of the past. If you
do not have
Mexican music,

Please tell me a
publisher who might
handle it

Yours very truly
